F-CLASS DEMONSTRATION EVENT

Saturday 13th February 2027

50m - 40 Shot Match

This is a demonstration event of a new discipline that we have implemented at Frankston Peninsula Target Rifle Club to increase participation of the sport as well as introductory path to our traditional Air Rifle, Benchrest and Prone shooting disciplines.

All shooting is **done with all rifles using a bipod** as no front rests or rear bags are allowed to support the rifle(s). It is encouraged that the Prone position is to be adopted unless age or medical reasons prevent this, so a modified prone position is allowed from a bench – with no other supports.

Basically, there are three categories:

- **RFCS** – Sporting rifle up to 4.25kg including bipod and scope (limited to 16x)
- **RFCO** – Any other rifle, with unlimited scope power, tuning barrel or bloop tubes.
- **RFCT** – Prone Rifle with peep sights (no scope)

Demonstration Start time - approx.: 13:00hrs
**Athletes will be called to the line 10min before Start time*

Prizes – Categories RFCS, RFCO, RFCT – 1st 2nd 3rd

Entries close at: Thursday 11th Feb 5pm
Entry Fee: $15.00
